MANAGER'S COLUMN

Good evening and welcome back to Sandygate for another tough league fixture

I'd like to start by thanking the magnificent 1200 plus crowd we had in on Saturday for their support. The noise and atmosphere was incredible.

Saturday was a tough one to take for ourselves and penalties are a brutal way to end our FA Vase campaign. That said, I'm incredibly proud of the team for getting this far. It was a fantastic day for the club and I hope the momentum off the pitch continues to drive our fine club forward.

We're delighted to welcome Pickering Town to the world's oldest football ground and we're aware that we have a tough game ahead of us this evening. It goes without saying that Pickering are a team we know well and one we have done our best to prepare for.

Games are now coming thick and fast, starting with tonight's opponents in Pickering Town. Tonight presents another opportunity to put some more points on the board and catch up with the games we've missed due to weather and our FA Vase run.

Once again I would like to close by saying thank you to each and every one of you, your support is outstanding. The club continues to grow, thanks to the hard work from the owners, the volunteers and those behind the scenes. Keep believing!

Enjoy the game and your time with us today.

Craig Denton

Manager

CHAIRMAN'S NOTES

Welcome back to Sandygate for another what is sure to be another fantastic match.

May I extend my warm welcome to the players, staff, officials and fans of Pickering Town who have made the trip across from North Yorkshire this evening. I hope your journey across wasn't too stressful and wish you all a safe journey home after what promises to be an entertaining game.

On Saturday, our FA Vase journey came to an end after a penalty shoot-out loss against a tough Lincoln United side. Disappointing as it is to be out of the competition, to get as far as we have, and in front of so many fans both old and new has given us so much to be proud of.

I'd also like to thank all the volunteers for their tireless efforts during Saturday's game. We've had some wonderful feedback from supporters and visitors alike, and it's all down to the hard work everyone puts in. As some of you may have seen, a tweet doing the rounds on social media has shown just how far we've come in 10 years. From 2014 and having around

60 spectators in the ground, to 2024 where we've got that many in, they're taking to the cricket pitch to watch! It's moments like these that make me so proud to be the chairman of this grand old football club

Looking ahead to kick-off, best of luck to Craig and the team this evening. Let's show them everybody at Sandygate is behind them.

We're All Hallam Aren't We

Richard Pillinger

HALLAM HISTORY

This city has a long, proud and incredibly rich sporting heritage. The oldest football club is from here. The oldest set of football rules is from here. You even have us to thank in part for your beloved Boxing Day football fixtures. And last, but by no means least, the oldest football ground, home to Hallam FC, is here.

1860 - 1900 - The Beginnings, The Rules and the first ever trophy

The Hallam Football Club was formed 4th September 1860, and is officially recognised as the second-oldest association football club in the world. Although formed in 1860, the football club can trace its links even further back, to 1804, when the owner of the now demolished Plough Inn on Sandygate Road agreed to allow a new cricket club, Hallam Cricket Club, to start playing on an adjacent field he owned.

The club had over 300 members by the 1850s, and in 1860 decided to form a football club to compete against Sheffield F.C, who were formed three years earlier. On Boxing Day 1860, the two clubs played each other at Sandygate for the first time. The match report for the game in the Sheffield Daily Telegraph states that the game was played between 16 of Sheffield and 16 of Hallam and Stumperlowe.

The Hallam Football Club's founder and captain, John Charles Shaw, soon became President of the Sheffield Football Association which organised matches according to the local rules for its growing number of member clubs. Shaw was directly instrumental, with Charles Alcock of the

London-based Football Association, in the formation of nationally accepted rules for playing the game. Shaw and Alcock were the respective captains in the first game between a Sheffield XI and a London XI, in 1871, in which the preferred rules were tried out.

In 1867, Hallam won the first ever football competition, the Youdan Cup. The trophy itself is named after Thomas Youdan, a local theatre owner who endowed the cup for the tournament. The trophy was subsequently misplaced by the club, and did not resurface again until 1997 when a Scottish antiques

collector who had come into possession of the silver trophy sold it back to the club for £2,000. In 2022, the trophy received a valuation from Graham Budd Auctions, who placed a value of £350,000 upon it.

During the 1870's and 1880's, professionalism began to creep into the game. Despite this, Hallam chose to remain fully amateur. In the summer of 1886, for reasons unknown but likely because of financial constraints, the club was dissolved, but a year later the club was re-formed and re-registered with the Sheffield & Hallamshire FA.

1892 saw Hallam enter their first league competition by joining the newly formed Hallamshire League, and they would also play in the Sheffield Minor Cup League, Sheffield Alliance and the Hatchard League as the 19th century came to a close.

1900 - 1982 - The Nomads, The Record Makers and The Trophy Winners

Hallam won the Hatchard League title for the first time in 1903, and a year later won the league again, though they lost the play-off final played between the top four teams, and so surrendered their title. They also reached the final of the Sheffield and Hallamshire Senior Cup for the first time in 1904, but lost 1-6 to Barnsley reserves at Bramall Lane.

In 1911 the club first competed in a Football Association (FA) cup competition, when they entered the FA Amateur Cup. Three years later the First World War began, but Hallam continued to play, dropping out of the Hatchard League to join the Sheffield Amateur and Minor Leagues, previously competed by the club's reserve team. However, in 1917, Hallam decided they could no longer keep playing, and suspended playing operations, rejoining the Sheffield Amateur League after the war had ended, in 1919.

In 1925 Hallam pulled off a giant-killing when they knocked out five-time Amateur Cup winners Bishop Auckland in front of over 2,000 people at Sandygate. Two years later the club entered the FA Cup for the first time. After winning the Sheffield Amateur League for the second time in 1927, they once again joined the Sheffield Association League.

A downturn in fortune was soon to follow. At the end of the 1932-33 season the landlord of the Plough Inn public house decided to lease Sandygate to other teams, such as Crookes WMC and Fulwood, as Hallam were not providing enough bar takings. Although the club retained its affiliation with the local FA, Hallam's eviction from their ground saw them refrain from playing any football for a period of 15 years.

Hallam's time in the wilderness subsided in 1947 when they finally arranged a return to Sandygate, playing in the Sheffield

Amateur League and the re-formed Hatchard League (which they won) before finally re-joining the Sheffield Association League in 1949, winning the title for the first time. A year later Hallam won the Sheffield Senior Cup for the first time when they beat Stocksbridge Works at

Hillsborough in front of 7,240 spectators, and in 1952 they entered the Yorkshire League.

That same season, Hallam's FA Amateur Cup tie with Dulwich Hamlet was switched to Hillsborough stadium because of increased ticket demands - the attendance of over 13,000 proving to be a club record, which is still held today. After winning promotion to the top flight of the Yorkshire League for a second time in 1960, Hallam became a regular fixture in the league, playing at the same level for the next 20 years

1982 - Present - NCEL Years, a rejuvenated Sandygate and the Centurions

The 1982–83 season saw the demise of the old Yorkshire League, with Hallam entering the newly formed Northern Counties East League (NCEL), which demanded more stringent ground grading rules. With only seven years of its ground lease remaining the club could not commit to expensive improvements.

Protracted negotiations with the landlord eventually led to a 99 year extension being granted but a large premium was demanded within one year. A massive fund raising effort secured the new lease and continued for the provision of floodlights, first used in 1992, and a stand behind one goal to shelter 100 people.

During season 2000/2001, Hallam FC received two certificates from the Guinness World Records organisation, which recognised that Sandygate was the Oldest Football Ground still in use and that Hallam FC possesses the World's oldest "knock-out" cup, namely the "Youdan Cup" of 1867. Both certificates can be seen proudly displayed in the entrance porch of the 1860 suite.

The club has spent most of its time in the NCEL in the Premier Division (which currently sits at level 9 and won the League Cup competition in 2004 when beating Mickleover Sports in the final, but in 2011 they were relegated back to the First Division.

In 2012, Sandygate received a much needed facelift, paid for by a posthumous

donation by lifelong supporter Roger Bell. This donation allowed the facilities to be upgraded in line with the modern day league requirements and to refurbish the clubhouse which was officially reopened on the 13th April 2012 as the "1860 Suite".

In the years that followed, the club became a competitive force in the first division, qualifying for the Division One end of season play-offs, but ultimately being eliminated in the semi-finals on both occasions.

The appointment of Craig Denton as manager in 2020 was followed by an upturn in results and attendances, and in the 2021-22 season Hallam secured the Division One title with a thumping 102 points, coupled with a goal difference of 103 and securing promotion to the NCEL Premier Division after nearly a decade away, with Sandygate hosting record crowds in excess of 1,100.

These magnificent crowds soon necessitated further expansion at Sandygate, with the Shed End seeing an extension behind the goal and beyond.

The 22/23 season saw Hallam finish in 6th place, with an average attendance of 502 for the campaign, a fine first season back in the Premier Division.

MATCH REPORT - HALLAM vs LINCOLN UTD

A record crowd see's a spirited Hallam bow out of the FA Vase on penalties to Lincoln United

A magnificent crowd of 1,287 packed into Sandygate for Hallam's FA Vase tie vs Lincoln United

A cagey affair saw little to separate the two sides, until Brandon Bradbury caught the Lincoln 'keeper off his line, nearly beating him with a looping effort from 40 yards.

No clear cut chances for either side in the first 15 minutes until Lincoln thought they had opened the scoring, only to see the effort chalked off for offside. Minutes later, it was Hallam's turn to carve out a chance as Adam Blakeley's cross was flicked onto the post by Scott Ruthven.

Hallam were then made to pay for not taking their chances, after a nearpost effort was converted by Lincoln to open the scoring. The goal seemed to ignite something in the Countrymen as chances began to rain down on the Lincoln goal, with Bradbury, Ludlam and Wilson all going close to snatching an equalizer. More pressure from the home side after efforts from Zottos and Buttle forcing the Lincoln keeper into saves, but not enough to draw things level.

The second half began with Hallam kicking towards the packed out Shed End. The noisy Hallam faithful were soon rewarded with a goal. Brandon Brady's long range effort was initially saved by the Lincoln 'keeper but couldn't be held. Zottos was on the rebound like a flash to send the Shed End into pandemonium.

Hallam's joy was soon short lived, as Lincoln won a penalty that can be generously described as "soft". Toby Liversedge dispatched the spot-kick and reclaimed the lead for the visitors.

With half an hour left, and the rain beating down on Sandygate, Hallam pressed for another equalizer, with efforts from Wilson and Bradbury going close.

PENALTY! Iren's collision with the Lincoln defender earns the Countrymen a chance to get back into the game, and results in a Lincoln defender being sent for an early bath.

Danny Buttle coolly tucked the penalty home and the game soon petered out and penalties followed.

All 5 penalties were scored by both teams to advance to sudden death, with the Lincoln goalkeeper saving the final spot-kick to send Lincoln through to the next round of the Vase. A great run by the Countrymen and something to be proud of.

1287

THE VISITORS - PICKERING TOWN

Founded: 1888

Ground: Mill Lane.

Nickname: The Pikes

Home Colours: All Blue

Away Colours: All Yellow

Club History

Pickering Town Football Club were first established in 1888, for many years the club competed in the local football leagues. One of the local leagues they competed in was the York Football League which they joined Division Two, in 1953–54. They were promoted to the league's top division after only one season.

In the early 1950s, the York League was heavily contended between York Railway Institute, Market Weighton and Pickering Town. Indeed, these were the teams in the top three when Pickering Town first won the York League in 1955–56.

Pickering eventually joining the Yorkshire Football League Division Three in 1972. They started well in the league, and during their second season were promoted to Division Two as champions. Pickering Town finished as runners-up to Bridlington Town in the 1974–75 season and thus were

promoted to the top division of the Yorkshire League.

They dropped in form a couple of seasons later, getting relegated in two successive seasons. For the rest of the decade Pickering lingered around the mid parts of the Yorkshire League Division Three. In 1982 they became founding members of the Northern Counties East Football League and were in the NCE Premier Division from 1992. It was around this time that the club first entered the FA Challenge Cup, they knocked out Penrith before losing to North Yorkshire rivals, Northallerton Town in the next round.

A few seasons later in 1996–97, they knocked out Pontefract Collieries 2–1 in the competition, but lost to Bishop Auckland in the next round. In terms of the draw, the club has had very bad luck in the competition, as every time they reached the 1st Qualifying Round, they were forced to play away from home.

THE VISITORS - PICKERING TOWN

The club underwent a great transformation with manager Jimmy Reid and his assistant Steve Brown in charge. Reid was a former player with St Johnstone and York City and Brown a former "Pikes" player and coach at the Leeds United Academy. At the end of 2001–02 season Jimmy Reid left the club and Steve Brown took control.

After much ground improvement work in recent years, including the erection of floodlights, a new 120 seater stand, covered standing accommodation and more recently an additional 100-seater stand behind the "scoreboard end" goal, the club now possess one of the best grounds in the league. In the 2005–06 season the club reached the quarter finals of the FA Vase the furthest in the club's history. The team eventually lost out to Nantwich Town.

After an encouraging start in the 2006–07 season, results took a turn for the worse over the winter period, and a run of one win in eleven games led to the resignation of Mathie as manager on 6 January 2007. Within a week, the board announced they had appointed ex-Pickering player and Mathie's assistant Mark Wood as the new manager.

The 2007–08 season saw the club finish in third in the NCEL Premier Division, their highest league position in over a decade. Off the pitch the club saw significant change and Pickering applied for promotion to the Northern Premier League.

Mark Wood stepped down as manager early in the 2010–11 season and he was replaced by Mitch Cook. Cook had mixed success but the club eventually finished in a very respectable 7th place and resigned just before the end of the season to move to Bridlington Town

The 2017/18 season saw Pikes again finish runners up but this time promotion was secured and as a result entry to Step 4 football for the first time in their history.

After relegation in 2022, The FA took the decision to allocate Pickering a step 5 place in The Ebac Northern League for the 2022/23 season, this would be a first for the club and see them with lengthy travel to the North of England, whilst this is a new challenge it would prove difficult to recruit players who wouldn't want to commit to the travel.

In late 2023, former Scarborough Athletic, AFC Mansfield and Rainworth boss Rudy Funk was appointed Manager
